

FOR IMMEDIATE RELEASE:

Delta, Colorado, June 10, 2020 – Delta County Daily Update

UPDATED Testing Information: Delta County Health Department is reporting no new cases for the 2nd straight day; our total case count remains at 76 with 67 individuals now recovered.

46 individuals have tested positive; 30 individuals have been in close contact with an individual who tested positive, and have experienced COVID-19 symptoms; one death is being reported.

To date, 1,530 tests have been administered in Delta County; 96 tests are pending.

Delta County wants to remind everyone of your personal responsibility in keeping our curve flattened; please do your part in:

- Maintaining 6 feet of physical distance from others
- Wash your hands often
- Cover your face in public
- Stay home if you are at risk or sick
- Self-report and call in immediately if you are sick

State Update

If you are following the State [data](#) on overall hospitalizations for Colorado, you may have noticed a jump in that information. The state is once again combing through the information that they have, and matching it up with the information that is reported in Colorado Department of Public Health and Environment's (CDPHE) reporting system. As you may recall, Delta County saw a significant increase in numbers a few weeks back when CDPHE was combing through their past data, and adding to "probable" case count numbers, from outbreaks.

The Colorado Tourism Office is continuing to focus on their Care for Colorado initiative, and promoting responsible Tourism in Colorado. While not yet ready to move forward with welcoming visitors from all parts of the United States and beyond, it does continue to encourage Coloradans to be a tourist in their own back yard. Take a day trip, or a long drive, and enjoy what we all know and love about Colorado—EVERYTHING. Please be responsible and mindful of local public variances when being a tourist outside of Delta County.
